**PLEASE proceed to next page to Get Started.**

# Enable LTL Freight Negotiated Rates

For UPS Developer Kit Rating and Shipping APIs

## Getting started

**Step 1: Login to UPS.com**

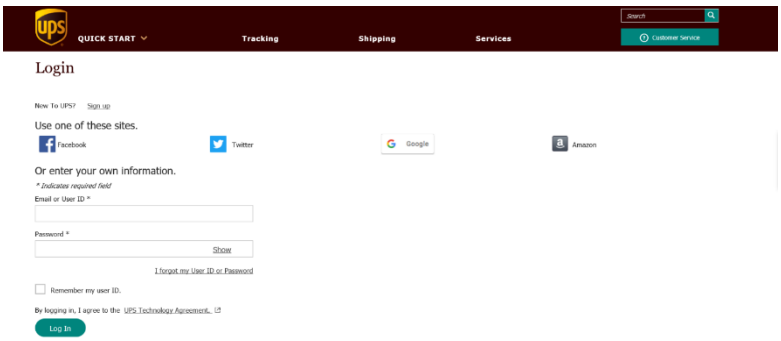
After obtaining your ups.com ID and Access Key as outlined within the UPS Developer Kit User Guide go to www.ups.com and login.

**Step 2: Enroll**

After you're logged in

Click this link https://www.upsfreight.com/ltl/apps/home/ then select:

1. "Shipping Tab" from Drop-Down Menu
2. "Rate Estimate"
3. "Enroll Now"



# Getting started (cont.)

**Step 3: Verify information and complete the entire form**

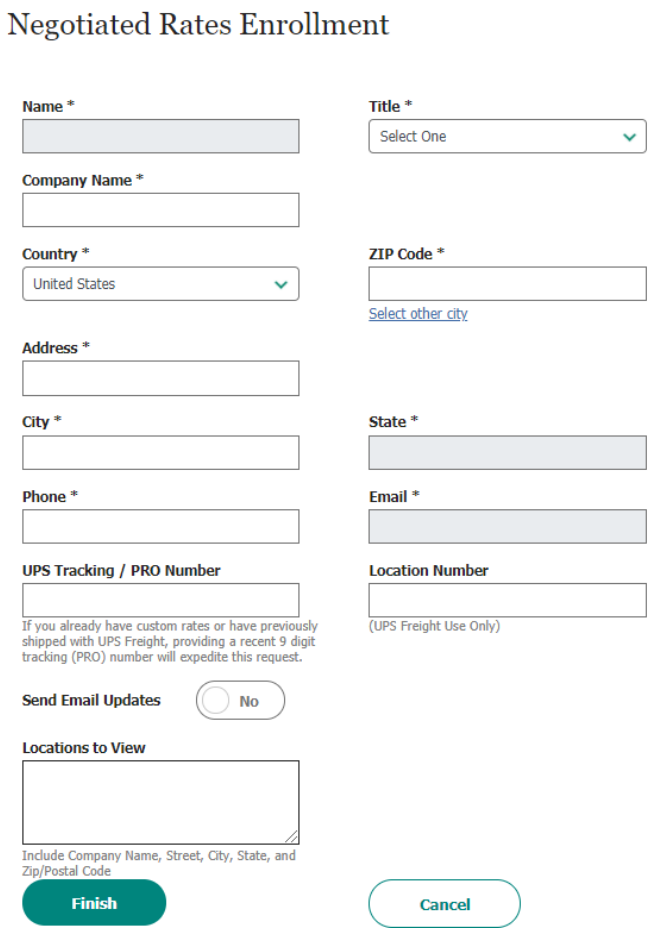
Please Note:

To view Negotiated Rates for shipping and rating LTL Freight shipments from additional Origin Locations please enter the following in the bottom field:

1. Company Name,
2. Street Address,
3. City,
4. State,
5. Zip/Postal Code

Please ensure that the exact format is followed and one line is used for each additional Origin Location for which you would like to view Negotiated Rates using the LTL Freight APIs.

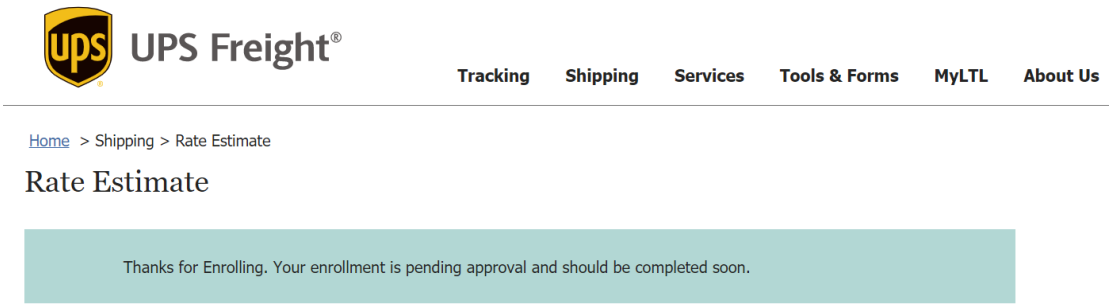
If changes (additions/deletions/edits) need to be made to this list you must contact your LTL Freight Sales Professional.



# Getting started (cont.)

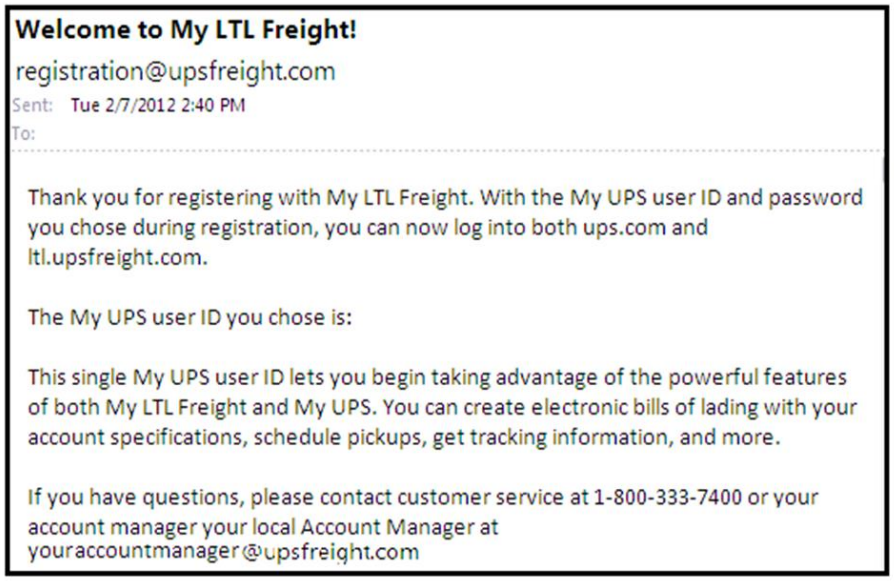
**Step 4: Registration confirmation screen**

A "Thank you" screen will appear notifying you that your request to view Negotiated Rates is being reviewed for accuracy. Once approved a confirmation email will be sent to your email address.



**Step 5: Receive confirmation email that Negotiated Rates for LTL Freight APIs have been activated**

Once you have received the confirmation email from LTL Freight group you are ready to view Negotiated Rates within the LTL Freight APIs.



**Welcome to My LTL Freight!**
